MODEL 369 PEBBLE INTERIOR

INVITING DESIGN. ENGINEERED COMFORT.

The Georgetown XL by Forest River equips you with everything for your travels except the destination. Our engineering and interior design teams have carefully constructed six thoughtfully-designed floorplans, each flowing effortlessly. Standard features on every XL include 84" interior headroom and beds 80" in length to bring you maximum comfort and enjoyment.

The model 369 floorplan is the epitome of true comfort on the road. The salon area is wide open and inviting with a fireplace, 40" LED TV and plenty of room to stretch out. The kitchen features a 30" over-the-range microwave oven, solid surface countertops, stainless steel appliances, three burners, 22" oven with flush solid surface covers, a countertop extension and abundant cabinet storage.

The Georgetown XL incorporates a dynamic front cap with panoramic views second to none. Add a stunning paint package and you have the most distinctive gas coach in the marketplace. Visit your local dealer today and put yourself in a Georgetown XL, where inviting design and engineered comfort come together.

GVWR (Gross Vehicle Weight Rating) – The maximum permissible weight of the unit, including the Unloaded Vehicle Weight (UVW) plus all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

GCWR (Gross Combined Weight Rating) – The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

GAWR (Gross Axle Weight Rating) – is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one

year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

Coach-Net®
RV Technical & Roadside Assistance

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
